

Cardinal
Newman
CATHOLIC SCHOOL

Art Department

Welcome to the Art Department!

Key Stage 3

All students will study Art at Cardinal Newman. The time allocated for this is x1 60 minute per week in Year 7, 8 and 9. Students choose their options in Year 9. Year 9 we develop their artistic skills and embrace their creativity linking to GCSE assessment objectives, ready for GCSE. The course aims to encourage and develop creative expression as well as develop natural abilities and skills. This is achieved by introducing a variety of branches of Art, to offer experiences suitable to every individual. By developing an understanding of the Arts, artists and artefacts of the people of the world, our students can learn to appreciate, respond to and respect the views of other individuals and cultures.

Key Stage 4

YEAR 10 and 11 - Students can choose to continue studying Art and Design to GCSE level. They can opt for GCSE Fine Art (5 x 60-minute lessons per fortnight). The course covers a range of areas allowing students to utilise and develop their own personal interests. They study the theme of 'Details' and have the chance to explore: Photography, Critical studies, painting and drawing techniques, formal elements, ceramics, experimentation with media and printing.

Key Stage 5

Our A-Level Art (Eduqas Art, craft and design) at Newman Sixth will give students considerable freedom in a wide variety of media. Our students will concentrate their studies in one specialist area, though they may cover as wide a range of practices as their resources and expertise allows. Specialist areas that can be explored are: Painting, drawing, mixed media, ceramics, logo design, illustration, layout design and printmaking.

Careers

Graphic design, textile design, video game design, application design, landscaping, architecture, product design, illustration, animation, photography, fashion design, interior design, typography, set design and many more...

Together towards our Lord through learning, love and faith
