Reference in the policy to **GR** relates to relevant sections of the current JCQ document **General Regulations for Approved Centres**.

## Introduction

It is the responsibility of the head of centre to ensure that Cardinal Newman Catholic School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Cardinal Newman Catholic School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

**maintains internal records** of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

## Purpose of the policy

The purpose of this policy is to confirm how Cardinal Newman Catholic School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

## General principles

A process is in place to collect any conflict of interest from all centre staff to identify and manage any potential conflicts of interest

## Declaration process

A Conflict of Interest form is sent electronically to all staff to complete. Staff declare an interest or state they do not have an interest.

## Managing conflicts of interest

For internal recording processes, a conflict of interest log is maintained and any potential conflicts declared by the centre staff is centrally recorded on the log.

The relevant awarding body/bodies are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series.
