Dee Drennan
Foundation Representative

Dee Drennan is the school's named Safeguarding Governor and regularly undertakes training and auditing to fulfil the responsibilities of this role.

Dee is also a former Newman parent and has two children that both attended Newman and N6. One child has graduated from University and is utilising their degree and another child who has just started at University studying Criminology, an interest that was sparked during their time in N6.

Dee has been a Governor at Cardinal Newman for quite a few years and has enjoyed being able to give something back to the school community in this way. Dee's background is in IT and Medical Administration and currently works for the NHS School Immunisation service as an administrator.

Dee is also active within the community and is on the board of trustees at a local Charity and a committee member of the local ladies Gaelic football team. Supporting young people in the community is very important to Dee. Dee believes that a quote from Pope Francis on service and charity sums it up.

"Love and charity, are service, helping others, serving others. There are many people who spend their lives in this way, in the service of others. ...When you forget yourself and think of others, this is love".

Dee successfully worked with Jane Crow and Joe Richardson in the past and is very happy working alongside Andrew Bull and his team fulfilling the school's vision and drive.

Since relocating to England in 1996, I have worked in the not-for-profit sector. My responsibilities have included managing the delivery of welfare and social support to a range of diverse and vulnerable groups, such as Irish and Irish Travellers, as well as individuals with learning disabilities in both day and residential settings.

I have served as the Chief Executive Officer of Luton Irish Forum for 17 years. In my role, I oversee the delivery of various projects related to LIF welfare, social activities, and cultural events. This includes leading the coordination of the annual St Patrick's Festival. In 2020, our volunteers were awarded the Queen's Award for Voluntary Service for their outstanding contributions.

Over the past 20 years, I have held various governance roles. From 2003 to 2006, I served as a trustee of Irish in Britain, which is a national charity that supports a diverse network of Irish organizations across Britain. After that, I became a trustee of Traveller Movement, a London-based charity that supports the Gypsy, Roma, and Traveller communities and fights against the discrimination they face.
