Curriculum Intent

In the RE Department we hope and we pray that through our teaching we develop and encourage all students to live as people of God. We endeavour to do this through teaching the mystery of God, the mystery of the life, death and resurrection of Jesus and the beliefs and teachings of the Catholic Church. Through this, our students will be led to question, reflect on and deepen their faith. We want them to develop the appropriate skills and attitudes to enable them to respond fully to God's call to them in everyday life, and in doing so choose to use the gifts and talents entrusted to them by God to the fullest of their potential in the service of Him and the service of others. We hope too that they will come to the knowledge that they are truly sons and daughters of God. We pray they will know the truth of the Father's deep love for each of them, enabling them to grow in their relationship with Christ. We believe that a strong relationship with Christ will give them the strength to take their place in the Church and in society and make a positive contribution to our world, able to withstand its pressures, difficulties and challenges.
