

6th October, 2023

Dear parents and carers,

We have had quite a week. On Thursday morning we had a voluntary Mass in the school hall where over 50 of us gathered (students and staff) to pray for our town, the families affected by the recent violence and young people. Fr James reflected on the words from St John Henry Newman that 'Heart speaks unto Heart' and related this to the need to love and understand. It was a poignant way to reflect considering the events of the previous weekend.

On Thursday evening we welcomed over 750 people to the school for our annual Open Evening. It was a tremendous evening and the staff and students were praised by all our visitors. A special mention has to go Rose and AJ our Head Girl and head Boy who delivered their speeches with real flair and nonchalance!

Enriched Curriculum activities are now on the website, and attached to this e-Bulletin. The booklet will be updated regularly. Also attached to this bulletin is our latest Online Safety Newsletter. Past versions of this are also available on our website.

As ever there are some notices with information below.

Wishing you every blessing and a great weekend,

Andrew Bull
Headteacher

Relationships, Sex and Health Education (RSHE)

As part of our PSHE lessons students in years 7-11 will be covering topics on relationships, sex and health. To teach this content in an age-appropriate manner, while remaining true to our Catholic ethos, we will continue to lessons provided by Ten Ten Resources, following their "life to the full" programme.

Parents/carers are able to use the link below and login details to see a preview of the lessons that will be taught, as well as suggestions for continuing these discussions at home.
