*"Together towards our Lord,  
through learning,  
love and faith"*

10 June 2022

Dear parent / carer,

What a week it has been since the Jubilee celebrations up and down the country. Last week the CNS Steel Pan Band were part of the Luton Carnival and entertained all the participants whilst on a moving float! It was wonderful to see them all participate and contribute in such a positive manner. This week we have also had the school orchestra and choir singing and performing in assemblies in advance of the whole school summer production of Chicago. Please do purchase tickets to support the students and the school.

Once again activity on social media is raising itself and impacting school life. Please can I encourage you to:

- talk to your children about using social media responsibly
- check your child's phones for what they are doing on it
- As a reminder I have attached a poster which outlines the laws around the age that children can use different apps.
- Also, be aware of the dangers around some applications. I have included a poster about TIK TOK.
- The students also have an obligation to use the school online portals responsibly and could risk having their usernames and accounts suspended.

On Tuesday the whole school has a PSHE drop down day where there will be several workshops and different activities.

Next Thursday and Friday the school is being inspected under the Section 48 framework. This is a Canonical inspection of Religious Education in the school and the Catholic Life of the school. Please keep the RE department and Chaplaincy team in your prayers as they prepare for this.

As ever, have a blessed weekend.

Andrew Bull  
Headteacher
