

24 June 2022

Dear parent / carer,

What a tremendous week. It genuinely feels like we have returned to what school was like before COVID. We had two nights of a tremendous school production, sports fixtures, staff activities, exams and we have rewards trips starting next week, as well as Year 10 Work Experience. On Monday it is the school's sports day. Please make sure that your children have water bottles and head wear in case it is excessively hot. Also, please do read the parent mail regarding the need to have full correct PE kit for the day.

As promised I attach the summary of the Section 48 Survey that we conducted. Thank you for all your input.

Just as a reminder, there is an extra INSET Day on Monday 4th July – pupils will not attend school on this day.

It has been a busy week and next week is also busy.

As ever, have a blessed weekend.

Andrew Bull
Headteacher
