*"Together towards our Lord,
through learning,
love and faith"*

27 May 2022

Dear parents and carers,

I can't believe that we are now half way through the final term of the year. It has absolutely flown by. Please find below some points of note as we go into the final 6 weeks of the year.

The new measures and procedures around managing behaviour have been incredibly successful and students across the school are learning to manage their behaviour very positively in each and every lesson, resulting in far less disruptions due to poor behaviour. We are also seeing an increase in the number of achievement points and I was filled with pride this morning when I was able to celebrate all those who have achieved diamond awards by having breakfast with them all. We will continue with these procedures as we move towards the summer.

Due to the current national financial situation the catering providers at school, Chartwells, have had to change some of their prices. Please go the website to see the new price list and menus.

Year 11 and Year 13 are now well and truly in the middle of their exams. Please do continue to keep them in your prayers.

"Dear Lord...shine through me, and be so in me that every soul I come in contact with may feel Your presence in my soul...Let me thus praise You in the way You love best, by shining on those around me." This break, let us live the words of St John Henry Newman by being light to those around us.

I look forward to seeing the whole school return on Monday 6th June. Please do enjoy the Queen's Platinum Jubilee Celebrations next week.

God bless,

Andrew Bull
Headteacher
