"Together towards our Lord,
through learning,
love and faith"

10 October 2022

Dear parents and carers,

Apologies for not sending this on Friday as usual. The Open Evening on Thursday 6th October was a tremendous event. Over 700 people visited the school throughout the evening and the feedback was incredibly positive. We are a school in demand and it is wonderful to see the interest in our community as to what we are doing at CNS that sets us apart from other schools. The students who stayed behind to help were tremendous and the Year 11 Prefects deserve all the accolades that they received from all our visitors. A key theme (as it is every day) was our motto of "Together towards our Lord through learning, love and faith."

Sponsored Walk - Friday 21st October

All students require a parental acknowledgement that their child will be taking part in this event. To confirm this, please click [here](#) and complete by Friday 14th October 2022.

Enrolment for the Sacrament of Confirmation

Many of our students in Year 8 and above have already signed up for preparation for the Sacrament of Confirmation. The deadline is Sunday 23 October.

If you belong to one of the following parishes and your son or daughter would like to sign up, the link to register can be found here:-

lutonpastoralarea.org/registration/

- Holy Family, Marsh Farm and St John's, Sundon Park
- Holy Ghost, Bury Park
- Our Lady, Help of Christians, Castle Street
- Saint Joseph's
- Saint Margaret of Scotland, Farley Hill
- Saint Martin de Porres, Lewsey Farm
- Sacred Heart, Stopsley

If you belong to St Mary's Dunstable, sign up takes place within the parish and is for young people in Year 9 and above.

Classcharts

As a reminder, please do download the classcharts application on your device so that you can be aware of your son/daughter's achievement points, behaviour points, detentions and homework. We will no longer be informing you of detentions through Parent Mail this will be solely through Class Charts. I would really encourage you to use this and encourage your children to log in using their own log in to track their own progress. Thank you for the extremely positive feedback regarding Class Charts and the difference it is making in you being aware of what is going on as well as being able to support the school with decisions that we make. For your information we have standardised the way we award achievement points and streamlined how behaviour points are awarded. Our aim is always to have five more achievement points than behaviour points, currently we have ten achievement points for every one behaviour point! This is tremendous.
