8<sup>th</sup> September, 2023

Dear parents and carers,

What a week! On Monday and Tuesday, we had staff training and preparation time for the year ahead. On Wednesday we welcomed all our new Year 7s and 12s and then on Thursday the whole school returned! Summer also appears to have arrived with temperatures of 30 degrees. I understand that the weather will return to normal during the coming days, which will be a relief for all our staff and students. Whilst it is hot we will of course have understanding around uniform in lessons. Please do ensure, though, that your sons and daughters do come to school in their full uniform. All students in Years 8-10 have received their new ties, which really help with managing the different year groups at break and lunch, and also gives them a really good sense of identity as a year group.

Sports lunchtime enrichment activities start next week and other enrichment activities will be announced and start over the coming days and weeks as well.

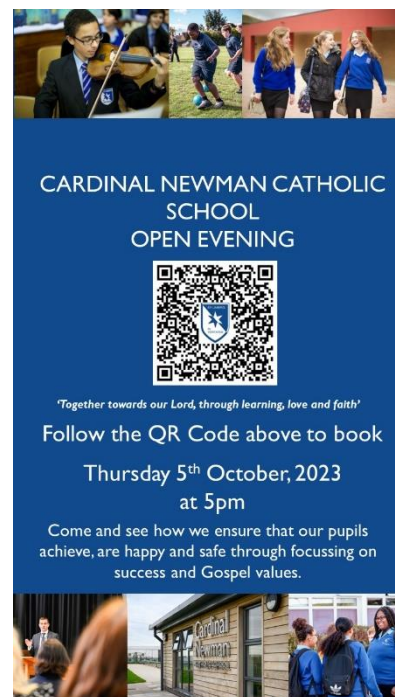

As a reminder no parents or cars are allowed on site to pick up children until after 3.25 due to the number of buses and lack of space that we have. We have an agreement to use the homebase carpark as a collection point to help with this.

I have attached an image of our open evening flyer and it is also available on the website as well as our social media channels (@cnsluton on both twitter and Instagram).

We are also relaunching the Parent Teacher Association at Newman and Mrs Keane (Curriculum Leader for Performing Arts) is taking a lead on this. If you would like to be on a mailing list and attend an initial meeting please contact her on [ckeane@cardinalnewmanschool.net](mailto:ckeane@cardinalnewmanschool.net). We are particularly looking forward to welcoming parents from Year 7 as well as all the other year groups.

Wishing you every blessing at the beginning of this new academic year,

Andrew Bull  
Headteacher
