Why is Drama important?

Drama lessons will help you learn transferable skills that can be used in all your other subjects such as communication, group work and public speaking. Exploring a number of different topics through role play and performance will be exciting and engaging.

Extra-Curricular

Drama Club: A weekly after school club where you can make new friends from all year groups.

School Shows and Theatre Trips: Due to the current COVID-19 Pandemic, we are unable to attend theatre trips or to allow visiting theatre companies. We have invested an online provider called 'Digital Theatre Plus' which enables students to access recorded live theatre productions.

What students say:

"Drama helps you make new friends"

"Drama helped build my confidence"

"The teachers are very supportive and approachable"
