

YEAR 6 – YOU WILL LEARN TO BE AN ARTIST!

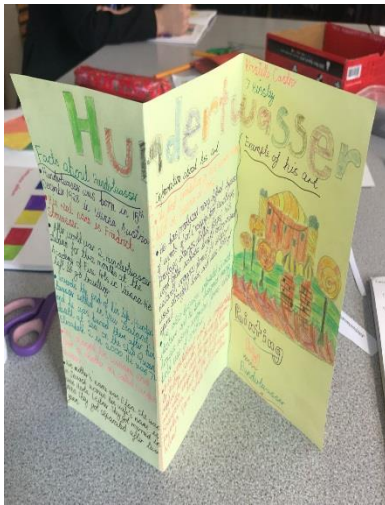

‘Exploring Drawing’

You will learn how to draw from observation, learn about different artists and crafts people. Also, develop your creative skills by using different materials, mediums and tools. You will also learn how to be responsible and safe in an Art and Design classroom.

‘Cities and Structures’

You will gain knowledge of what colours go well together as well as how to use water colours to create landscape paintings while inspired by Hundertwasser. This project also gives the opportunity to explore different painting styles and you will produce a painting of a landscape based on your own photographs. You will also get to experiment with clay to make a 3D piece inspired by the artist Hundertwasser.

Art & Design

We have 2 large well-resourced specialist Art teaching rooms and a designated area for clay and ceramics. As well as the use of the main ICT areas, the Art Department also has its own computers, printer and digital camera.

Trips and experiences
in Year 7, you will have the chance to attend a gallery in London which will link to your school project. You will also get to work with our Year 12 Art students in class to help develop your skills. In addition to the timetabled events, you will have the opportunity of experiencing:
After school Art Club
Art Master classes
Artist Workshops

Key Stage 3 – Years 7, 8 and 9

All students will study Art at Cardinal Newman. The time allocated for this is 1 x 60 minute lesson per fortnight and 1 x 60 minute per week in Year 8. Students choose their options in Year 8 and Year 9 we develop their artistic skills and embrace their creativity linking to GCSE assessment objectives, ready for GCSE Fine Art in Year 10.

The course aims to encourage and develop creative expression as well as develop natural abilities and skills. This is achieved by introducing a variety of branches of Art, to offer experiences suitable to the every individuals. By developing an understanding of the Arts, artists and artefacts of the people of the world, our students can learn to appreciate, respond to and respect the views of other individuals and cultures.
